IvyCat lists the books, CDs, videos, and other items that can be found at Ivy Tech libraries across Indiana.

To use IvyCat:

1. Sign into MyIvy at http://my.ivytech.edu and click on the Library at the left side of the screen to access the Library website.
3. Click on IvyCat—Library Catalog.

**SEARCH IVYCAT**

1. Type your search terms in the fill-in box. (See Figure 1)
2. On the same line, choose to look for your terms as a phrase (all of the words in a row), all of these (all of the words in any order), or any of these (any one of the words).
3. Choose to look for your search terms by the item’s title, author, subject, or a keyword found anywhere in its record.
4. By Location, choose the Ivy Tech Library location where you would like to find an item, or select Electronic Books to view only books available online. By Type, choose the type of item (book, musical recording, etc.).
5. Click Search.
BROWSE RESULTS

After clicking Search, a list of the records (item information) that matched your search terms will appear. (See Figure 2)

The results list shows the title, author, year, call number, location, and availability of the items.

If an item has multiple holdings, it is owned by several Ivy Tech libraries including the one that you chose.
