Dear Ms. Parkinson,

Thank you for your letter and interest in our country. It is a pleasure to hear that you are organizing such a multicultural event. Unfortunately, we do not have the resources to send you all of the items you are asking for. But we will send you a few of them.

The History of Lithuania was written by one of the most famous Lithuanian historian Alfredas Bumblauskas. Another book, that we are donating, is “Children of Siberia. Memoirs of Lithuanian Exiles”.

We hope, that these items will be interesting for your College community and people will learn more about our country.

If you have any other question, please, do not hesitate to ask.

Best regards,

Personnel of the Embassy of the Republic of Lithuania
