EBSCOhost has multiple databases containing books, journals, magazines, newspapers, and more on almost any topic.

To use EBSCOhost:

1. Sign into MyIvy at http://my.ivytech.edu and click on the Library at the left side of the screen to access the Library website.
2. Under Search & Find, click Articles.
3. Click on EBSCOhost.

**CHOOSE DATABASES**

EBSCOhost provides access to a variety of different databases. This page gives you titles and short descriptions for each of the databases IvyTech students can access.

1. Click the box next to the database(s) appropriate for your search.
2. Click the Continue button.

**SEARCH SELECTED DATABASES**

1. Use the Search Options below the search box to narrow your search by date of publication, number of pages, full text, etc. as illustrated in Figure 1.
2. Enter search terms into the search box and click the Search button.

**BROWSE RESULTS LIST**

After clicking the Search button, a list of the articles that match your search terms will appear.

---

**DISPLAY ARTICLE**

Click the title of an article to view more information about it and access the full text of the article.
