Culinary Program - Library Topic Hunt

Here are some ways to use the basic resources of the Library itself and also from our online resource, the Ivy Tech Virtual Library. Select a topic below and look for examples for each type of format:

Book
Reference Book
Magazine Article

Book: Look for a book in IvyCat (Discover) choose one from East Chicago library
1) Write the title of the book, call number and publication date.

Reference Book: Chose a topic from the below list.
1) Locate a reference book with statistics or information on the topic and write it next to the topic.

Magazine Article (Print): 1) Select one article from any of the Culinary magazines, give title of magazine; title of article, and page(s). Write the month and year of publication.

PICK JUST ONE TOPIC BELOW
