To access the Library Website from MyIvy, go to myivy.ivytech.edu and login with your Ivy Tech username and password. Then look for the Library link in the left-hand column.

When the page opens, check at the top to make sure you are at the correct page for your region. If you are not at the correct site, you can change your Library location by clicking on the Ivy Tech logo in the upper left-hand corner and selecting the correct region from the statewide list of campuses (shown below).
If the Library link is not listed in your MyIvy menu, go to library.ivytech.edu and select your region from the statewide list.

To access the Library Website from IvyLearn, go to ivylearn.ivytech.edu and login with your Ivy Tech username and password. Look for Help link in the left-hand column. Then look for the Library in the list of resources.

The Library link in IvyLearn will take you to the statewide list of campuses (shown above) where you can select your region.
