**LIMIT ONE ITEM PER PERSON**

- SI instructors should be identifiable by their employee nametags. They may check out materials and take them anywhere in the building they would like for their SI sessions. SI instructors will keep attendance records and take care of any additional paperwork.

- When not in use for an SI session, any student may check out materials. An Ivy Tech photo ID is required, and the item must be used in the Library just like any other reserve item. Limit one item per person, please.
