Professional Communication
Ivy Tech Community College
Moderator

“Welcome Day” August 23, 2018 from 2:30 pm to 3:30 pm
at Ivy Tech-Bloomington Library

https://library.ivytech.edu/Bloomington-Internationalization-Math

Math education through internationalization can create students that embrace global and intercultural perspectives. This project’s intention is to guide students to learn and reflect on their own place in the world while allowing them to make connections with communities locally, nationally, and globally.
